Advanced Non-Destructive Testing Techniques for Modern Manufacturing

Water, Wastewater & Environmental Technologies

Smart Packaging & Functional Packaging

Emerging Technologies & Interdisciplinary Innovations

RULES & REGULATIONS

- Teams may consist of a maximum of 2 participants.
- Posters must directly align with the designated themes provided; non-themed entries will not receive priority.
- Submit your abstract by October 17, 2026, to the email sent to you post-registration.
- Keep abstracts under 300 words and format them in Times New Roman, 12 pt font, with 1.5 line spacing.
- Design your poster in English using an A1 portrait format (24 x 36 inches).
- Email the digital copy of your poster to the same designated address by October 21, 2026.
- Presentations are capped at 5 to 7 minutes, immediately followed by a viva (Q&A) session.
- Scoring will focus on thematic relevance, original creativity, research effort, scientific accuracy, and delivery.
- The ruling of the judges and organizing committee is ultimate and non-appealable.
